The success of the Benilde Program is measured in a variety of ways.

Typically, 35 to 40 percent of Benilde students make the honor roll each quarter. In addition, our students are involved in every aspect of student life at St. John's. Benilde students have been outstanding athletes, student government presidents, national merit commended scholars, peer ministers, and talented musicians, dancers and actors.

The student who has to work hard to maintain a "C" average is also counted as a success. Many of our students not only have learning challenges, but they have also had to deal with the death of a parent or other life-changing event.

Over 95 percent of our graduates go on to college. Colleges that have offered acceptance to Benilde students include:
