Due to the fabulously large attendance- once the attendees got their dinner we made a major move to the Auditorium –which Mr. Mancabelli set up very quickly for us!!! First Mothers' Club Meeting in the Auditorium!!!!!!!!!!!!!!!!!!!!!!

**Call to order:** Roslyn Rikard called the meeting to order around 7:20 pm

**Opening Prayer:** J. Mancabelli with "personal reflection" of John Baptist de La Salle.

Mr. Mancabelli also asked us to remember in our prayers the family of Manola Villar, whose husband just passed away after a very long illness. Her son, Nicolas Villar just graduated 2005. Claude Villar was also a SJC graduate.

75 families have offered to take in families devastated from hurricane Katrina. Also they have offered clothes, food, etc. Let's keep all those in our hearts and minds.

**Approval of Agenda:** Ros first corrected the agenda to include the Treasurer's report and then asked for approval of this agenda. There was a motion to approve and it was seconded. Agenda approved.

**Approval of May Minutes:** Ros then asked for approval of May 2005 Mothers' Club Minutes –there was a motion for approval and it was seconded. Minutes approved.

**Remarks from the President:** Ros welcomed all and remarked how thrilled we all were with the tremendous crowd. She read the mission statement reminding us that this is not a PTA, and the Principal is our moderator. When he is here with us his duty is with the Mothers' Club. *These sessions are not to be used for personal issues.*

Ros then introduced the officers: Roslyn Rikard, President, Nancy Borger, Secretary, Georgine DeBord, Treasurer, Jeff Mancabelli, Principal, and absent – Denise Murphy, Vice-President.

**Secretary's Report:** Reminder to turn in your membership forms. Once received with payment you will be added to the roster and entered in the email databank – where you will receive all pertinent Mothers' Club SJC info and the Mothers' Club minutes. Some problems have been encountered with emails – if you do not receive the minutes check to see if you have blockers from group emails. You may need to add my email address to your address book. I am only able to use one email address for each member at this point. Also, the minutes are sent through the bcc: which protects the group from receiving your email address. When available I will post a list of the Chairs of upcoming events so members who wish to volunteer can contact the chair directly.

*Addendum:* Since our meeting, we have had many requests to post personal info to our membership list. In light of the many requests, we have decided to post these requests with the monthly minutes. We must limit them to SJC events and information. Thanks.

**Treasurer's Report:** Georgine reported that as of August, 2005 we had \$5,906 in our account which by now has increased due to membership monies. Also Brother Tom has paid the \$3,000 deposit for us at this time to hold Dave and Buster's for Post Prom. We will need to reimburse the school for this. If you chaired an event we need all receipts in NOW for reimbursement. It must be a specific itemized receipt. You may leave in the Mothers' Club Box. This year we will have specific deadlines and the receipts for reimbursement will be due very near the end of the event. This way Georgine can close out the books in a timely manner. Your chairs will specifically let you know of the due dates.

## **COMMITTEE REPORTS:**

### **PAST EVENTS:**

**SUMMER CALLS:** Gail Pinder reported on calling incoming freshmen this summer. The new parents seemed pleased with this added personal welcome.

**USED BOOK SALE-** Kathy Yates: More books turned in at end of school year for sale than ever which means more available for sale to the students. Encourage your sons/daughters to do the same at the end of this year so that the bookstore can make this *special service* available to us again. It is a wonderful service that Tim Emerson provides for the school.

**USED UNIFORM SALE** – Holly Hankins: Only a few items were left over. She sold each item for \$5.00. We made about \$600.00. Need more small tops
